

Read and Comprehend

Go to the Story Map at

<http://storymaps.esri.com/stories/doctors/>.

Examine the maps. Read the text. Follow the links to read additional definitions and information.

Answer all questions in complete sentences. Use the back of the paper if necessary.

1. What are the problems presented with this map?
2. Why is a data map a great way to help you comprehend the issues?
3. Scroll down in the description section. Click on the words “leading health indicators.” What are the leading health indicators?
4. Scroll down in the description section. Click on the words “Population Estimates.” What does this term mean?
5. How are health indicators and population estimates important to this issue? Explain.

CC ELA Reading Standard 10: Read and comprehend complex literary and informational texts independently and proficiently.
