

Delineate and Evaluate

Go to the Story Map at

<http://storymaps.esri.com/stories/2012/whitenose/>.

Examine the maps. Read the text. Follow the links to read additional definitions and information. Answer all questions in complete sentences. Use the back of the paper if necessary.

1. Click the **1**. Explain how the author uses reasons and evidence to support the claims about the rapid spread of the disease. Be sure to include how the map and animation serve as valid evidence.

2. Click the **2**. Use the map and text to identify the species that are most in danger. List them here.

3. What evidence or data helps you decide which ones are in greatest danger?

CC ELA Reading Standard 8: Delineate and evaluate the argument and specific claims in a text, including the validity of the reasoning as well as the relevance and sufficiency of the evidence.
